PROFILE AND CAREER OBJECTIVE

Hello, I am sanish Koju Shrestha from Suryabinayak, 5 Bhaktapur. Computer programmer and developer with skills in Software development, and Web development. Defined as an adaptable ambitious, self-motivated, and confident and down to earth individual-combined with a limitless imagination and creative drive.

I have developed and improve my skills in web development, some functionality, and focus on object-oriented design. I am very passionate about working in different IT sectors. I am also very active and flexible in teamwork.
